Taranaki Golf Men's 2020 Representative Trials

Greetings Taranaki Golfer,

Congratulations to you all for participating in this year's trials with the enthusiasm and spirit of what this great game can bring.

We hope that you will all be back next year ready to fit it with the best. As you know we have been putting together a contact spreadsheet for all Taranaki Golfers that would possibly be able to trial. If you hear or know of anyone who would like to be included let me or Nick know.

We will be in contact again in the new year with trial dates etc for 2021.

Congratulations to the players selected for the Taranaki Masters team to play at St Andrews (Hamilton NZ) 2nd-7th November in playing order:

Aarun Langton
Brian Martelletti
Dean Baldock
Dan Armstrong
Stephen McIntosh
Reserve-Craig Ramage.

Congratulations to the players selected for the Taranaki Senior team to play at Whitford Park (Auckland NZ) 24th-28th November in playing order:

Samuel Jones
Ethan Jones
Caleb Andreoli
Joseph Doyle
Chris Charlton
Reserve- Caleb Symes

The best of luck to both teams. Play well.

As a foot note and I know some of you will laugh. But on observing the Sunday morning at Te Ngutu a thing that stood out was players coming down the final stretch of holes it is imperative that you hit the fairways to at least give yourself a decent lie and that may mean sacrificing distance over straightness. And often it can be an advantage to play first to the green.

Good golfing and a safe and happy new year,
Aaron Langton and Brian Rowland
