Welcome to the Stratford Golf Club 2020 Xmas Hamper

Rules for the day

1. All team members tee off their first tee (this is the only time all members of the team will play at the exact same time excluding putting, longest drives and closest to pin's)
2. Team members select the shot they will use
3. Selected ball must be marked and can be placed within one foot
4. Ball must be placed within a similar lie. Eg if the ball is in the rough it must be placed within the rough
5. The golfer whose shot is taken is eliminated from participating in the next shot
6. The process continues until the ball is on the green.
7. All three members may putt once the ball is on the green (not fringes)
8. On the putting green the selected ball must be marked to the side within one putter head
9. The player who successfully putts is eliminated from the next tee shot
- 10. There is a minimum of 3 tee shots per player**
11. If both players on team put their balls out of bounds normal penalty will be incurred and one is nominated by the team to be deemed to have played the shot will stand down while the other two players will play their next shot
12. If the ball selected is in a hazard and relief is sought with penalty whoever played the shot will be the stood down player. Please check the course board for additional hazards, GUR and local rules
13. Closest to the pins. Each player may play for the closest to the pin. The standing down player's shot however cannot be used for the team's selected shot
14. Longest drives. Each player may play for the longest drive of their division even if standing down. The standing down player's shot however cannot be used for the team's selected shot.
