Te Ngutu golf club has made their course available this Sunday for you all to have a practice round. Good chance for you all to get together for a team practice before the big event. Let me or Aarun know if you are keen ASAP.

There will be further correspondence to outline the arrangements for the Shand Cup weekend but basically the Taranaki practice time for Friday 9th is 10am off the first. And then the team's official meal is at the club house @ 6:30pm. Accommodation has been booked and staying in Hawera.

As you have been selected in a Taranaki rep team New Plymouth Golf Club allows you to practice at their course. This is an invitation to our rep players and should not/will not be abused. There is a few requirements:

- 1) You must inform the pro-shop that you are on the course.
- 2) New Plymouth have a 2-ball practice code. Meaning if you are playing you can not use any more than 2 balls at a time.

- 3) If you intend playing on Wednesday or Saturday (club tournament days), you can only play at the end of the field or otherwise pay the full entry fee.
- 4) Be appreciative that you can use the facilities.

The scoring throughout the trials has been an absolute pleasure to watch and record making our job very hard to pick a team.

A very big **THANK YOU** to all you players who entered the trials to make it what it was. To the players selected well done and keep up the practice. Remember your goal is to make the end of year rep teams. There are still selectors picks to fill the last remaining positions.

Good luck to the juniors who are travelling up to the Waikato for this week's Boy's Interprovincial
Important Dates:

1. 10th -11th October Shand Cup. Te Ngutu GC.
2. 15th -18th October Taranaki Open New Plymouth GC.

Below is the scoring update.

Please remember that you are representing Taranaki Golf. Please ensure that you repair pitch marks and divots.
